

Are you or someone you love on Medicare?

Stop...

... before you make any changes to your Medicare plan.

Question...

... whether the changes are right for you.

Call...

... the Seniors' Health Insurance Information Program for free advice.

1-800-443-9354

The Seniors' Health Insurance Information Program, or SHIP, is housed under the North Carolina Department of Insurance, and is dedicated to providing free, unbiased insurance advice to seniors and their families. Call today to talk to a specialist, before you change anything about your Medicare plan.

This message brought to you by the Partnership for Medicare Education in North Carolina, including SHIP, AARP North Carolina, the N.C. Medical Society, the N.C. Hospital Association, the N.C. Department of Health and Human Services and the N.C. Health Care Facilities Association.
